Legislator Steve Stern is presented with the Public Sector Award by Dean Patricia Salkin of the Touro College Jacob D. Fuchsberg Law Center

HUNTINGTON, NY – Suffolk County Legislator Steve Stern (D-Huntington, 16th L.D.), was recently presented with the Public Sector Award by Touro College Jacob D. Fuchsberg Law Center at the 2015 “With Liberty & Justice for All” gala. Legislator Stern was recognized for his leadership on several critical issues, particularly groundbreaking legislation in protecting our public health and the most vulnerable in our community.

As Chairman of the Veterans and Seniors Committee, Legislator Stern has been dedicated to our veterans and their families, and most recently passed the “Housing Our Homeless Heroes Act” in an effort to end veterans’ homelessness in Suffolk County.

Legislator Stern was also honored for his many contributions to the Law School, particularly his support of the Senior Citizens Law Program, the Mortgage Foreclosure Clinic and the Veterans' and Servicemembers' Rights Clinic.

"It is a great honor to serve our residents in Suffolk County and I am grateful for this recognition," Legislator Stern said. "I thank Dean Salkin and Touro Law School for the outstanding work they do to assist our neighbors and I am proud to have such dedicated partners in our efforts to serve our community."
